

Purpose Area 1 Domestic and Sexual Violence Prevention, Advocacy, and Coordinated Community Responses

- a. What are the ages of the target population your project serves?
 1. Youth (17 and under)
 2. Young Adult (18-24)
 3. Adult (25-54)
 4. Seniors (55 and up)
- b. How many potential participants exist in your service area in each age category?
 1. Youth (17 and under)
 2. Young Adult (18-24)
 3. Adult (25-54)
 4. Seniors (55 and up)
- c. How many participant contacts did you serve in each age category?
 1. Youth (17 and under)
 2. Young Adult (18-24)
 3. Adult (25-54)
 4. Seniors (55 and up)
- d. List and describe project accomplishments during the current reporting period.
- e. List and describe project challenges to success during the current reporting period.

Objective 1 Expand crisis intervention, counseling, victim advocate, behavioral health, case management services, and medical to victims of domestic and sexual violence.

- a. What is the total number of individuals served in the reporting period for:
 1. Crisis Intervention
 2. Counseling
 3. Advocacy
 4. Behavioral Health
 5. Case Management Services
 6. Medical
 7. Legal
 8. Other (please describe)
- b. Did your project enhance services for:
 1. Crisis Intervention
 2. Sexual assault exam within a two hour drive time
 3. Counseling
 4. Advocacy
 5. Behavioral Health
 6. Case Management Services
 7. Legal Counsel
 8. Law Enforcement
 9. Other (please describe)
- c. Do you offer 24/7 crisis intervention services?
- d. Do you offer case management services for victims of intimate partner violence/domestic violence?
- e. Do you offer case management services for victims of sexual assault?
- f. Do you have a formalized behavioral health referral process for intimate partner violence/domestic violence victims?
- g. Do you have a formalized behavioral health referral process for sexual assault victims?
- h. Do you provide a sexual assault exam within a two hour drive time of an initial contact with a person in need of an exam?

- i. How many reports of intimate partner violence/domestic violence did your project report to all law enforcement agencies serving your community?
- j. How many reports did your project make to any child protection agency serving the community due to intimate partner violence/domestic violence?
- k. How many reports did your project make to any child protection agency serving the community due to sexual assault or sexual abuse?
- l. How many individual participants received project services reporting sexual assault?
- m. How many individual patients who received your project services reported strangulation?
- n. How many individual patients who received your project services reported incidences consistent with human trafficking?

Objective 2 Foster coalitions and networks to improve coordination and collaboration among victim service providers, healthcare providers, and other responders

- a. Please list your community partners by agency/program, type of services provided to you, description of any resources shared, purpose of partnership, and new or enhanced relationship (designate those with formal partnership through Memorandum of Understanding/Agreement (MOA/MOU))

Agency/Program	Type of service provided to you	Description of resources shared	Purpose of partnership	New or enhanced relationship

- b. How many new MOUs/MOAs were established as a result of your project?
- c. How many MOUs/MOAs were enhanced as a result of your project?
- d. Please describe how you enhanced your MOUs/MOAs?
- e. Does your project include participation on a interdisciplinary Sexual Assault Response Team (SART)?
- f. Does your project include participation on a Multidisciplinary Team (MDT)?
- g. Does your project include participation on a interdisciplinary Child Protection Team (CPT)?
- h. Does your project include participation on a interdisciplinary Coordinated Community Response (CCR)?
- i. How many cases did your project report to law enforcement with or without an evidence collection kit for:
 - 1. Intimate partner violence/domestic violence
 - 2. Sexual assault
 - 3. Sexual abuse
- j. How many cases, that your project was involved with, have been persecuted including tribal, state, or federal jurisdiction for:
 - 1. Intimate partner violence/domestic violence
 - 2. Sexual assault
 - 3. Sexual abuse
- k. How many cases, that your project was involved with, have been declined for investigation or prosecution for:
 - 1. Intimate partner violence/domestic violence
 - 2. Sexual assault
 - 3. Sexual abuse

Objective 3 Educate and train service providers on trauma, domestic violence, and sexual assault and its impact on victims.

- a. How many trainings did your project provide for:
 - 1. Intimate partner violence/domestic violence screening
 - 2. Screening for past sexual assault

3. Human trafficking
 4. Elder abuse
 5. Child maltreatment
 6. LGBTQ violence
 7. Other (please describe)
- b. What is the total number of health service providers trained in:
 1. Intimate partner violence/domestic violence screening
 2. Screening for past sexual assault
 3. Human trafficking
 4. Elder abuse
 5. Child maltreatment
 6. LGBTQ violence
 7. Other (please describe)
 - c. What is the total number of service providers such as law enforcement advocates, and attorneys (non-medical service providers) trained in:
 1. Intimate partner violence/domestic violence screening
 2. Screening for past sexual assault
 3. Human trafficking
 4. Elder abuse
 5. Child maltreatment
 6. LGBTQ violence
 7. Other (please describe)
 - d. How many providers did you train to provide medical forensic examinations?
 - e. Have you considered trainings on:
 1. Strangulation
 2. Human trafficking

Objective 4 Promote community education for adults and youth on domestic and sexual violence.

- a. How many trainings did you provide for community members?
- b. How many community members were trained?
- c. What type of trainings were provided by your project for community members?
- d. What was the total number of community education events provided for adults?
- e. What is the total number of community education events provided for youth?
- f. How many total postings did you make to a social media page that included a domestic violence and/or sexual violence prevention and intervention message?
- g. What forms of social media did you use?
- h. How many total encounters did you have through social media?
- i. How many total radio/TV/billboard ads were created with a domestic violence and/or sexual violence prevention and intervention message?
- j. What was a population that you were unable to reach with your education and training efforts? (ex: batterer support groups)

Objective 5 Improve organizational practices to improve services for individuals seeking services for domestic and sexual violence.

- a. Do you screen adults for:
 1. Intimate partner violence/domestic violence
 2. Past sexual assault
 3. Human trafficking
- b. Do you screen adolescents for:

1. Intimate partner violence/domestic violence
 2. Past sexual assault
 3. Human trafficking
- c. How many adult individuals did you screen for:
1. Intimate partner violence/domestic violence
 2. Past sexual assault
 3. Human trafficking
- d. How many adolescent individuals did you screen for:
1. Intimate partner violence/domestic violence
 2. Past sexual assault
 3. Human trafficking
- e. How many referrals did you complete for:
1. Crisis intervention
 2. Shelter
 3. Counseling
 4. Advocacy
 5. Behavioral Health
 6. Case Management Services
 7. Medical
 8. Legal
 9. Other (please describe)
- f. How many providers did you train in sexual assault and/or intimate partner violence safety planning?
- g. How many providers did you train in sexual assault and/or intimate partner violence danger assessments?
- h. What type(s) of evidence-based practices (EBP) are currently being used by your project?
1. Art therapy
 2. Play therapy
 3. Cognitive Behavior Therapy (CBT)
 4. Trauma-Focused Cognitive Behavioral Therapy
 5. Motivational Interviewing (MI)
 6. Eye Movement Desensitization and Reprocessing
 7. Safe Dates Curriculum
 8. Beyond Trauma Curriculum
 9. Strengthening Families Curriculum
 10. Other (please describe)
- i. How do you adapt the EBP to fit your community's needs?
- j. What type(s) of practice-based practices are currently being used in your project?
1. Talking-Circles
 2. Sweat lodge
 3. Smudging
 4. Interventions that include cultural practices (i.e. beading, drumming, etc.)
 5. Elders teaching traditions
 6. Ceremonies for coming of age
 7. Developing culturally appropriate curriculum
 8. Equine therapy
 9. Other (please describe)

Objective 6 Establish coordinated community response policies, protocols, and procedures to enhance domestic and sexual violence intervention and prevention.

- a. Has your project developed new coordinated community response for intimate partner violence/domestic violence?
 - 1. Policies
 - 2. Protocols
 - 3. Procedures
- b. Has your project developed new coordinated community response for sexual assault?
 - 1. Policies
 - 2. Protocols
 - 3. Procedures
- c. Do the policies, protocols, and procedures reference above include your community:
 - 1. Tribal law
 - 2. Other Law enforcement
 - 3. Judicial System
 - 4. Primary Schools
 - 5. Secondary Schools
 - 6. Universities
 - 7. Other (please describe)

Objective 7 Integrate culturally appropriate practices and/or faith-based services to facilitate the social and emotional well-being of victims and their children.

- a. What type(s) of cultural services does your project provide?
 - 1. Dancing
 - 2. Drumming
 - 3. Language
 - 4. Singing
 - 5. Songs
 - 6. Story telling
 - 7. Traditional crafts (e.g., beading, basket weaving, tool making, jewelry)
 - 8. Traditional games
 - 9. Equine Therapy
 - 10. Other (please describe)
 - 11. Refer to other provider who provides cultural services
 - 12. Not applicable
- b. What type of cultural interventions does your project offer from traditional healers?
 - 1. Ceremonies
 - 2. Traditional medicine
 - 3. Smudging
 - 4. Sessions with medicine man/woman
 - 5. Sweat/healing lodges
 - 6. Other (please describe)
- c. What type(s) of religious, spiritual, and faith-based services does your project provide?
 - 1. Traditional Practices
 - 2. Therapy and Counseling
 - 3. Prayer
 - 4. Pastoral Care
 - 5. Spirituality Groups
 - 6. Clergy or Chaplain Support
 - 7. Shelter
 - 8. Transportation
 - 9. Other (please describe)

- d. How many individuals received cultural services?
- e. How many individuals received faith-based services?
- f. How would you describe the impact of providing cultural services to the individuals reached through your project?

Objective 8 Implement trauma informed care interventions to support victims and their children.

- a. What trauma informed care elements are included in your project activities?
 - 1. Safety
 - 2. Trustworthiness and Transparency
 - 3. Peer support
 - 4. Collaboration and mutuality
 - 5. Empowerment, voice and choice
 - 6. Cultural, historical, and gender issues
 - 7. Other (please describe)
- b. How many trainings on trauma informed care did your project provide?
- c. How many professionals did your train in trauma informed care?
- d. Have you offered trainings on trauma informed care to the community you serve?

Staffing

- a. Have you been able to recruit, hire, and onboard staff for your DVPI project?
- b. Do you have a full-time coordinator for your program paid by DVPI funds?
- c. If no, what percentage of time is the coordinator paid by DVPI?
- d. Did your DVPI project experience staff turnover?
- e. If yes, which staff have left your project?
- f. Reason for turnover?
- g. How has your project been impacted by other staff changes?
